

A POWERFUL MARKETING PLATFORM FOR THE PROMOTION OF:

- Community event information
- Cycle/pedestrian counters
- Emergency service information
- Local business advertising
- Public safety messaging
- Recycling information
- Tourist information
- Wayfinding
- Weather & air quality information

OUTDOOR DIGITAL Interactive Totems & Kiosks

Business Improvement Districts make an excellent contribution to our overall economy. Future Systems encourage and support development of more BIDs across the US through place promotion with the aid of outdoor digital displays.
